"MY LITTLE GIRL,"

Three years ago, was taken with a severe case of la grippe. The disease made terrible ravages upon the little sufferer; she was reduced to a skeleton, and one night we thought she would die before morning. We then began to give her Ayer's Cherry Pectoral, and a complete cure was the result. I feel justified in attributing her recovery to this valuable medicine, because it was the only medicine given her. "W.M. J. LAWRENCE, Merchant, Blossom Hill, Va.
